

# QFiK2024

Quilt Festival in Korea

31.OCT~3.NOV @ COEX, Seoul

## 01 INTRODUCTION

### category

#### traditional quilt

Whole cloth or patchworked/appliqued quilt using a traditional quilt pattern or an existing quilt design. Must be quilted through 2 or 3 layers by hand/machine.

#### contemporary quilt

A quilt that shows originality with unique compositions, techniques, and materials in addition to ready-made materials and techniques. Must have the structural features of quilt.

#### group quilt

This varies from a collaborative quilt, as 5 or more quilters of a community or guild can enter together. Each quilt must have its own application form, but they will be displayed together. The group name must be entered under the category section on the form.

#### novice

Someone who has not entered out contest before. This must be checked under the category section on the form.

#### NEW non-competitive

For quilts that want to be seen and not judged. This category will not be eligible to win a prize except for visitors' choice.

### qualification

There are no restrictions on nationality and gender, and both individual and collaborative work are possible. One quilter may enter more than one quilt, but a separate form must be completed for each quilt.

### standard

The sum of width and length must be less than 4 meters. Should not be framed or panelled, and should have a fabric tunnel and name tag attached on the backside of the quilt.
